Why "Swan" Village?

The Swan refers to my friend and hero Clara Swan. Clara graduated from the Maine School of Commerce (Now Husson University) as the valedictorian in 1933. Her basketball jersey was the 1st ever retired. Her life's work included teaching young women basketball skills and eventually (while in her 90's) teaching seniors (many her junior) in local nursing homes exercise techniques to

keep them healthy and active. Her love of academics (valedictorian at Brewer H.S. as well), basketball and life paved the road for all who have followed. In honor of her 103rd birthday, April 28, 2015 and for being part of the village that has raised many, **Swan Village** is named in celebration of Clara Swan.
